

Environmental Policy Statement

As a nationwide shop fitting company Ideal Shopfitters recognises the impact our activities, products and services have on the environment. We will therefore make available adequate resources to establish, implement and maintain a certified Environmental Management System.

The Company seeks to contribute to sustainable development by incorporating environmental considerations in business decision making at every level of the organisation.

Through its operation of a certified Environmental Management System, Ideal Shopfitters commits to:

- Conduct its operations so as to comply with environmental legislation and fulfil other appropriate environmental requirements.
- Continually improve the effectiveness of its Environmental Management System.
- Consider environmental factors when making planning, purchasing and operating decisions.
- Provide environmental training to all our employees.
- Prevent pollution by reducing the amount of waste, using effective waste stream management and recycling wherever possible.
- Set achievable objectives and targets and review them regularly.
- Communicate this policy to the public and all persons working for, or on behalf of, our organisation.
- Review the policy annually, or following any significant changes to the business.

Richard Wigginton:
Managing Director
